

# meso'me

by Pluryal

The first, unique, innovative microneedling serum,  
for home, inspired by mesotherapy, for women and men

**MD Skin Solutions**, a family company founded in 2009 by Germanos siblings, revolutionized aesthetic medicine with a **holistic approach to anti-aging**.

For **16 years**, the brand has provided hyaluronic acid fillers, collagen-boosting injectables, and mesotherapy treatments.

Now present in **75 countries** and with over **25 million** treatments sold, expanding into at-home care was a natural evolution:  
**meso'me was born!**

This European-made range makes **microneedling accessible to everyone**, with pain-free results.

Its key strengths include an integrated roller with **120 micro-needles of 0.20mm**, a significant **boost in serum absorption**, and inspiration from **professional treatments**.

**The future of personalized skincare begins here!**

## THE SUPER POWER OF MICRONEEDLING AT HOME

01. Collagen induction/  
Skin biostimulation
02. Better absorption  
of the actives
03. High performance
04. Non invasive
05. Easy to use

## WHAT SETS MESO'ME APART:

01. Roller of 120 micro-needles of 0.2 mm length
02. Maximum results with minimal effort
03. Innovative and effective formulas tested for 15 years

after

and roller

## TIGHT - Anti wrinkles roller

### Key ingredients

#### Panthenol

Once in the body, it's quickly transformed in Vitamin B5, major constituent of coenzyme A, which has a key role in the repair mechanism of cells and tissues and it prevents skin irritation, stimulates skin regeneration and promotes wound healing.

#### DMAE

It is a skin care ingredient is relatively new, characterized by an important action in improving skin firmness.

### Clinically proven efficient\*

**85%** firmer skin

**85%** fine lines reduction

**85%** more refined skin texture

**80%** more rejuvenated skin

**75%** wrinkles reduction

\*Satisfaction test on 25 volunteers during 1 month with 3 applications per week.  
Study conducted by an independent French Laboratory.

## RADIANCE - Brightening roller

### Key ingredients

#### Tranexamic Acid

It is the only agent that acts by inhibiting UV light-induced melanocyte activation, hormone-induced melanocyte proliferation, VEGF-induced neovascularization, and mast cell-induced basement membrane damage.

#### Glutathione

Natural protein with antioxidant properties and inhibits the melanin production.

### Clinically proven efficient\*

**80%** less dull complexion

**80%** more homegenous complexion

**75%** brighter skin

**70%** dark spots diminished

\*Satisfaction test on 25 volunteers during 1 month with 3 applications per week.  
Study conducted by an independent French Laboratory.

## CLEAR - Anti blemish roller

### Key ingredients

#### Salicylic Acid

It is clinically proven effective in improving acne lesion. It has an important antimicrobial action and it helps to facilitate the evacuation of sebum.

#### Biotin

Also known as vitamin B7, it protects the skin against pollutants and reduces erythema.

### Clinically proven efficient\*

**75%** more purified skin

**75%** blackhead reduction

**75%** more even complexion

**70%** pimple reduction

\*Satisfaction test on 25 volunteers during 1 month with 3 applications per week.  
Study conducted by an independent French Laboratory.

## HAIR - Anti hair loss roller

### Key ingredients

#### Caffeine

The caffeine-effect on hair follicles, hair shaft elongation, and key regulatory factors of hair growth in vitro have been found to be dose and gender dependent. In vivo studies in males and females with AGA confirmed that hair loss is reduced using caffeine-containing topical formulations.

#### Retinyl Palmitate

Works to improve cell turnover, to clear the scalp of buildup that can stunt hair growth and to help in hair loss.

### Clinically proven efficient\*

- 85%** overall better hair
- 85%** shinier hair
- 80%** stronger hair / decreased hair loss
- 75%** thicker hair
- 75%** increased hair growth

\*Satisfaction test on 25 volunteers during 1 month with 3 applications per week.  
Study conducted by an independent French Laboratory.

## OPTIMIZER - Hydrating/Booster serum

### Key ingredients

#### Hyaluronic Acid

Key molecule involved in skin hydration as it can retain up to 1000 times its weight in water.

#### Glycerin

Plays a role in skin hydration, cutaneous elasticity and epidermal barrier repair.

### Clinically proven efficient\*

- 100%** soother skin
- 95%** more hydrated skin
- 95%** redness reduction
- 95%** softer skin
- 90%** brighter skin

\*Satisfaction test on 25 volunteers during 1 month with 3 applications per week.  
Study conducted by an independent French Laboratory.

## DOCTOR'S TESTIMONIAL

---

### Dr Noël Schartz

Dermatologist – Paris

Former Head of clinic at Hôpital Saint-Louis

Doctorate in Biochemistry and Immunology

*« Microneedling creates tiny perforations on the skin's surface that naturally stimulate the production of collagen and elastin.*

*It also promotes the penetration of active ingredients, optimising the results of skincare treatments.*

*This solution is suitable for most skin types. Used correctly, it is a safe and effective method. The risk of home use is very low, as the length of the roller needles is suitable for domestic use. The product is designed for maximum safety. »*

## OUR COMMUNITY

---

### Teresa

Tight – 5/5 ★★★★★

*« Love their products. I've using meso'me Tight for only just one month and I can see great results, I feel my skin much firmer and tighter!*

*Highly recommended if you are looking for effective products! »*

### Iana

Radiance – 5/5 ★★★★★

*« I've been using meso'me Radiance for a few months now and my complexion is much brighter and more even. Much more effective than the creams and serums I've tested on the market to date. I'd definitely recommend it! »*

## HOW TO USE MESO'ME IN 8 SIMPLE STEPS

1. First, clean and dry the area you will be treating.
2. Next, clean your roller using warm water and soap, then rinse it thoroughly.
3. Use the roller on the treatment area by applying pressure to the base of the tip until the serum is released.
4. Roll horizontally, vertically and diagonally, moving back and forth, 2 to 4 times in each direction to ensure the area is evenly covered.
5. Finally, gently massage the area in a circular motion to ensure that the serum is fully absorbed.
6. If you are using meso'me Tight, Clear or Radiance, complete the treatment by applying the Optimizer meso'me serum.
7. After completing the treatment, clean the roller again.
8. Dry the roller thoroughly and close the cap before storing it for your next treatment.  
For best results, use the roller 2-3 times a week, ensuring a gap of 2-3 days between treatments.

## DO / DON'T

- **Clean and dry** the area thoroughly before each use. This prepares your skin optimally!
- **Pamper your meso'me roller!** Wash it carefully with soap and water before and after each use to ensure impeccable hygiene.
- **Boost your treatment's effects** by applying the meso'me Optimizer after each session with the roller. Your skin will thank you!
- **Adopt a regular routine** : use your meso'me roller 2-3 times a week, leaving 2-3 days between each session for best results.
- **Don't share your meso'me roller!** It is a personal accessory, reserved only for you.
- **Never leave your meso'me roller in the open air.** Keep it safe by closing its cap tightly after each use.
- **Do not use** the meso'me roller on sensitive or irritated areas, such as around the eyes or on lesions. Protect your skin by incorporating sun protection into your daily routine!
